## VETERINARY CLINIC

Valleyview Veterinary Clinic in Kamloops, BC is a place where pets live well and people thrive. We are privately owned 3 doctor practice, providing sustainable, modern care that extends and improves the lives of pets and our people. We are passionate about having a great culture and keeping it that way! We are hoping to find another fun & positive veterinarian to join our team.

At the core of our work are our values, Positivity, Respect, Compassion, Teamwork, Fun, and Growth. If these matter to you then you'll be an excellent fit. As a clinical practice, we see ourselves a bit like a family doctor with a side of surgery and urgent care. We are here to help the local community and their pets. We believe in giving all clients time and attention needed to make good decisions for their pets. In doing so we are building strong relationships with clients and each other.

We are looking for an enthusiastic well-rounded GP. We welcome new grads & summer students! We have a great mentorship program, as our experienced DVM's have combined over 40 years experience. We are a Fear Free, practicing up to date, quality medicine and surgery. We see a broad range of surgical and medical cases; you won't find yourself bored. We have a well-trained supportive team of RVTs and assistants to support workflow and quality of care. Locums that visit us always give amazing feedback on how much they LOVE working with our team ie; "Your staff are amazing!!!" , how efficient and helpful they are, and we couldn't agree more.

We aim to provide exceptional and personalized patient centered care with a complete in-house lab, digital radiology, ultrasound, endoscopy, dental radiology, surgical laser, tonopen, cardiopet, and cloud based integrative software, within our 3000 sqft building.

We want you to join our team because you're a fit for our culture, and you love what you do! (after 20+ years we still do!) We do check ins with our team members individually on a monthly basis to make sure everyone has a voice and their needs are met.

Kamloops is located in the North Okanagan with a 4 seasons playground at your backdoor, and within 2-3 hours of Vancouver and Kelowna. Kamloops is a friendly, growing community that fosters local community support which is important to us.

When you're not at work, you will love the year-round recreation Kamloops has to offer; Skiing the slopes at Sun Peaks, golfing, hiking, mountain biking, abundant lakes to explore etc. Self-care is a big part of our culture; we encourage our team to enjoy time away from work to foster your well being.

Come to Kamloops and meet us, we are sure that you'll be glad you did. If you think you might be interested, please contact us!

Other highlights of working here:

- Board certified surgeon comes to our practice regularly
- Medical, dental, life and disability coverage.
- Moving allowance, sign on bonus, competitive salary, sick days etc.
- 8-hour workdays, 30-minute consults. 1hr Lunch break, time for writing files & callbacks.
- Collaboration & Mentorship with our DVMs with over 40 years experience. Excellent opportunity to grow your surgical and medical skills and have fun doing it.
- Generous staff pet discounts.
- Generous CE time and allowance, paid CVBC dues, VIN membership, uniform allowance.
- Flexible scheduling, one on one meetings monthly providing a platform for your ongoing success.
- Spacious 3000 sq ft building.
- Idexx Neo Cloud software
- Team events, appies nights, gratitude gift cards etc.
- We empower our team and donate to charities of employees' choice annually. Giving back just feels good, and it's part of our culture.
